

Scelta oval

SCELTA OVAL

Product number: Scelta Oval

The oval shape of the Scelta range is reminiscent of the origins of bathing. While the voluminous tub depth of 480 mm, the ergonomic shape of the interior and the wide tub rim all demonstrate the latest developments in bathing trends. This includes deep immersion, a comfortable seat and practical storage areas. Scelta is also available with a square, hexagonal or corner tub.
