

Foster oval

FOSTER OVAL

Product number: Foster Oval

Minimalism and elegance are the mark of British architect Sir Norman Foster's designs, who created the dome of the Reichstag building in Berlin, for example. Individuality and freedom are not just words to Foster - they are core values, shaping personal experience. In light of this, his bathroom furniture become means for regeneration and well-being, creating an essential living space. The luxuriously spacious interior with opulent floor length invite you to fully surrender to the relaxing bathing experience. The asymmetrically shaped rim allows for convenient access, and also creates a shelf for fittings at its widest point.
