NAMUR LOUNGE OVAL FREESTANDING

Welcome to your personal lounge area. The exclusive interpretation of the award-winning Namur bathtub combines spirited elegant design with exceptional comfort in fashionable lounging. A winning combination. Even at first glimpse, the aesthetic shape cannot fail to impress, along with the rims that fan out so delicately - a testament to the outstanding quality of the finish. Then, as you come closer and examine the bathtub interior more closely, you will discover the ergonomically adjustable reclining position, and clever details such as the innovative water outlet on the side that channels waste water for drainage.
