

LaSenia oval freestanding flat

LASENIA OVAL FREESTANDING FLAT

Product number: LaSenia Oval freistehend Flach

The LaSenia bathtub combines rounded edges with angular lines, creating a simple, yet exclusive soft-edge design that is truly delightful. It also coordinates perfectly with a large number of other Hoesch products for a stunning look in any bathroom. The LaSenia rectangular bathtub impresses with its outstanding Solique material properties: extremely narrow tub rims with incredibly generous interior proportions and a remarkably smooth, glossy Gelcoat surface that is easy to clean and maintain. LaSenia is sure to become a new, exclusive showpiece in any sophisticated bathroom, thanks to its appealing rounded and angular Solique elements. Available in high gloss white and matt white. A lower version for accessible bathtubs is also available.
