

Nias rectangular

NIAS RECTANGULAR

Product number: Nias Rechteck

Naturally elegant – the NIAS shower tray unites the positive material properties of Solique mineral cast with an exclusive textured surface. It looks exquisite and feels pleasantly natural and intimate from the very start. This allows the new NIAS shower tray to make a real impression in any sophisticated bathroom – and it is also extremely flexible, meaning it can be adapted to suit the requirements of your bathroom. There are almost limitless options for bathroom design thanks to over 30 available tub sizes, from 700 x 700 mm to 2000 x 1000 mm, as well as a made to measure option. Optionally, the NEAS shower tray, already only 30 mm high, can also be installed flush to the floor, making it accessible for all: A completely elegant solution which is also highly robust, resistant and easy to maintain. • The widest range of mineral cast shower trays on the market • High degree of customisation options due to an almost unlimited selection of sizes, shapes and colours • Universal design, clean and simple • Ideal combination options with Hoesch shower enclosures • Solique's outstanding material properties • Various installation options • Accessible installation is possible • 15 mm depth, 30 mm material thickness
