overflow filling

ISENSI CORNER MONOLITH OVERFLOW FILLING

Product number: iSensi Asymmetrisch Monoblock Überlaufbefüllung

With its strong inner values, appealingly contoured silhouette and luxurious comfort when reclining, iSensi is the ideal bathroom highlight. The combination of a new and sophisticated production process with specialised expertise has created a perfectly seamless monoblock. The surface always feels warm to the touch, is extremely smooth and pore-free, and also shines with an incredible lustre.
