HOESCH

Bathtub iSensi hexagonal

BATHTUB ISENSI HEXAGONAL

Product number: iSensi Sechseck

The iSensi bath is made of bathroom-quality acrylic – a warm welcome to the new spacious HOESCH comfort zone. iSensi offering an extremely spacious comfort zone. This is provided for by the centrally positioned outlet in the oval basic shape. The positive properties of the highgrade cast bathroom quality acrylic also provide for relaxation and well-being. The material insulates heat extremely well and its surface is very smooth, pore-free and insensitive. This feels pleasantly warm and cosy, as well as being easier to look after.
