SHOWER CABIN ALARIS

Product number: Alaris Nische

The high-quality Alaris series will meet all your expectations. The ALARIS shower enclosure brings new movement and flexibility to the bathroom thanks to a 180-degree swing door made of safety glass. The two-metre high and optionally 70, 80 or 90 cm wide door with elegant handle can be opened conveniently inwards and outwards - and can be easily installed on shower trays as well as tiled floors. Profiles and handle are available in glossy silver or black.
