

Valet stand made of water-resistant doussie wood and PU pad

VALET STAND MADE OF WATER-RESISTANT DOUSSIE WOOD AND PU PAD

Product number: 8921901

HOESCH completes the bathing fun. It is the practical little things that make the pleasure in the bathroom perfect. That is why HOESCH, in cooperation with the team from yellow design, has created a range of accessories which is stunning in all respects. Useful down to the smallest detail and beautiful to look at. The shapes are reduced and clear so that they can be integrated into any bathroom concept, and the material mix of black PU supports and exquisite, water-resistant doussie is a genuine eye-catcher.
