

Structura S rectangular

STRUCTURA S RECTANGULAR

Product number: Structura S Rechteck

Minimal in height, maximum in impact. The noticeably textured surface provides grip and meets slip-resistance class B, ensuring a safe shower experience. The drain is positioned for convenience: in the corner for square trays, or along the long or short side for rectangular trays. The thoughtful design allows for either standard floor or flush installation, enabling a barrier-free entry. Made from durable Solique mineral cast: resilient, easy to maintain, and visually appealing. Available in a wide range of sizes and variants. Includes square drain cover.
